October/November/December 2012 Newsletter

Vol. 29 No. 10

## *The Reason for the Season*

*"... I bring you good news that will cause great joy for all the people." Today in the town of David a Savior has been born to you; he is the Messiah, the Lord. 12 This will be a sign to you: You will find a baby wrapped in cloths and lying in a manger."*

*- Luke 2:8-12*

*"For unto us a child is born, unto us a son is given; and the government shall be upon His shoulder: and His name shall be called Wonderful, Counselor, the Mighty God, the Everlasting Father, the Prince of Peace."*

*- Isaiah 9:6*

A Special Note from John Ngoh, Cameroon

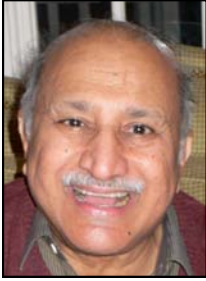

HAPPY THANKSGIVING! We are so grateful for all the prayers and financial support that has made it possible for us to serve in the mission field. Through the Health care outreaches, predominantly by HTI, over 106,000 people have prayed to receive Christ during one-on-one ministry. To God be all the glory. Recently, the Government of Cameroon recognized HTI, with a Ministerial Decree that is filled at the Presidency of the Republic, as an International Non Governmental Humanitarian Organization (NGO) with Branch Office in Cameroon. We are poised to reach out more to the unreached in Cameroon and the Sub Region. Our 17th HTI outreach is coming up in March, 2013. Come celebrate souls for our Lord's Kingdom and HTI's new Official Status in Cameroon. Contact Dr. Dan Wiklund (253) 350-8769.

## Dr. David Inderjeet

March 28, 1937—November 17, 2012

David was an active member on the board of Health Teams International. He was very involved in medical outreach ministry in Sri Lanka, Trinidad, and India.

David was loved by all who knew him and will be greatly missed.

David's daughter, Dr. Daphne Thomas, is following in her father's footsteps and has led several HTI short-term mission trips. She recently returned from Laos. Watch for pictures and details in the next newsletter.
